

LDOE K-3 Numeracy Screener Online Tools Training Guide

Access Kite Student Portal

Students, parents, and teachers have two options when accessing the online tools training.

- **Option 1:** Enter <https://student-ldoe.kiteaai.org> into a browser (Firefox, Chrome, Edge, or Safari).
- **Option 2:** Install the Kite Student Portal app on your device. Visit the [Kite-LDOE website \(https://kite.doe.louisiana.gov\)](https://kite.doe.louisiana.gov) for more information.

Access Online Tools Training

1. On the login page, enter the username and password shown below.

<u>Grade 2</u>	<u>Grade 3</u>
Username: num02	Username: num03
Password: mathott	Password: mathott

2. Select **Sign In**.
3. Select **Practice First** on the home screen.
4. Find the *Numeracy Screener Online Tools Training* and select **Take Test**.
5. Read the directions. Select **Begin**.
6. Use available tools by selecting the arrow on the left of the screen to open the toolbox.
7. When finished, the Review/End screen displays and indicates whether it is answered, unanswered, and/or marked for review.
8. Select **End** when finished. Select **Yes** to end the test and go back to the home screen.
9. To exit Student Portal, select **Close Kite**.
